

Name _____

The Double Disadvantage

[Find on the PDF > [Aging and ID Presentation - with NOTES.pdf](#) the description of the “Double Disadvantage.”]

The Double Disadvantage involves two societal attitudes that can marginalise people.

Describe in your own words **Ageism** _____

Describe in your own words **Ableism** _____

Where have you observed either one of these individually?

Imagine a person whose life is affected by both. What skills and sensitivities would be helpful for people who work with those facing **The Double Disadvantage**?
